## WE ARE DOG-FRIENDLY!

Dogs are welcome as long as they are kept on leashes at all times. If you have forgotten your pup's poop bags, just approach any of the ANRÁN team who will have some to spare.

## KEEPING YOU SAFE

For your wellbeing and enjoyment, Covid-19 safety measures have been put in place. Our large, open spaces minimise over-crowding, and our event zones are sheltered and well-ventilated so whatever the weather, you will be dry and safe. Have a great day out!  
 (In the event that the festival is cancelled due to government advisories or regulations, ticket refunds will be issued.)
